Home Assignment 2

Due December 7th, 15:30, online submission only

Replicate Figure 10 from the page 51 of Gopinath & Stein (2018). You should upload your file with the code to my.nes. It should be possible to run your code and reproduce Figure 10. Also, write enough comments so that your code could be easily read by others. You can complete this homework in groups of up to three students.
